

Quality Policy

EACH INDIVIDUAL INVOLVED IN THE MANUFACTURING PROCESS MUST ENSURE THAT THE CUSTOMERS' QUALITY REQUIREMENT ARE MET EXACTLY.

Objectives of the quality Policy

- Comply with standards ISO 9001-2000
- Develop products that meet the customers' expectations at all times
- Involve all employees in quality improvements
- Reduce scrap and rework
- Provide employees with the knowledge and skill which together with experience, will improve competency
- Use the Quality Objectives as detailed in our Quality Manual to meet product requirements and improve the production process.

Sub Contractors

Only ISO-9001 certified companies are employed in the sub assembly of all products.

Commitment:

The management of Comeragh Controls is committed to providing the resources necessary to achieve these objectives
